## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Pontiac Community Foundation PO Box 431362 Pontiac, MI 48343

#### **Opinion**

We have audited the accompanying financial statements of Pontiac Community Foundation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pontiac Community Foundation as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pontiac Community Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pontiac Community Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pontiac Community Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pontiac Community Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# Pontiac Community Foundation Notes to Financial Statements December 31, 2021

# **Nature of Activities and Significant Accounting Policies**

# **Nature of Activities**

Pontiac Community Foundation ("the Organization") is an independent 501(c)3 organization, dedicated to building a brighter future for Pontiac, MI by engaging philanthropy, leadership, and collaboration to tackle Pontiac's most pressing issues.

The Organization's most effective work accomplishes community and economic development, quality of life, and civic leadership initiatives, that help make the city of Pontiac a more desirable place to live, work, and play.

#### **Financial Statement Presentation**

According to Accounting Standards Update (ASU) 2016-14, Presentation of Financial Statements of Not-For-Profit Entities, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

The net assets of the Organization are classified accordingly depending on the presence and characteristics of donor-imposed restrictions limiting the Organization's ability to use or dispose of contributed assets or the economic benefits embodied in those assets.

### **Contributions**

Under SFAS No. 116, Accounting for Contributions Received and Contributions Made, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the absence or existence of any donor restrictions.

# **Contributed Materials and Services**

During the year, the Organization received donated services for Office Space and Landscaping Services that have been recorded as In-Kind contributions and as expenses on these financial statements. Additionally, many individuals volunteer their time providing services to assist the Organization, but due to a lack of an objective basis to value these services, they have not been recorded and their value is not disclosed.

The Organization also received multiple contributions of nonfinancial assets, in particular laptop computers, one of which was used by the Organization directly and the rest supplied to community students in need of them due to COVID-19. The valuation of the laptop used by the Organization was arrived at by reviewing comparable sales of similar items, while the valuation of the ones provided to the community was based on the invoiced price by the supplier of the devices. These were recorded as In-Kind Revenue and office supplies expense for the one used by the Organization and aid and support expense for the ones used by the community.

#### **Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

#### **Grants Receivable**

Grants Receivable consists entirely of the estimated marginal costs for Oakland Christian School to continue to provide education to the students enrolled in the joint program from the end of the fiscal year until their graduation. The age of the students included in the program varies and the auditor has relied upon the estimates made by the School.

# Pontiac Community Foundation Notes to Financial Statements December 31, 2021

## **Functional Allocation Expenses**

The costs of providing program, general and administrative, and fundraising services have been reported on a functional basis in the statements of activities. Costs have been allocated between program, general and administrative, and fundraising using estimates determined by management. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different results.

#### **Tax Status**

The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the United States Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. Although the Organization is granted income tax exemption by the Internal Revenue Service, such exemption does not apply to "unrelated business taxable income" (UBTI). For the year ended December 31, 2021, management has determined that the Organization did not have UBTI, accordingly, no income tax provision is reflected in these financial statements.

## **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

## **Subsequent Events**

In preparing these financial statements, management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2021, the most recent statement of financial position presented herein, through August 31, 2022, the date these financial statements were available to be issued.

#### Leases

On February 1, 2022, the Organization entered into a modification of its lease for office space in Pontiac. The new minimum required lease payments in total are \$50,700 for 2022, \$54,000 for 2023, \$55,485 for 2024, and \$4,635 for 2025.
